Vancouver Island

"Victoria is a delightful walk about. Outside of town, a drive north will certainly provide some everlasting memories of beautiful countryside and quaint seaside towns. Oh and there is excellent golf to be had as well."

Bear Mountain

A climate so mild, you can golf year-round. The Vancouver Island Golf Trail boasts 10 championship golf courses within a 250 mile-stretch of spectacularly scenic coastline. Victoria, with its old- town charm and gardens is the gateway to the Trail with 2 championship golf courses including Nicklaus golf course mastery at Bear Mountain. The scenic drive North from Victoria unveils a pacific paradise including an additional 8 golf courses, with some of Canada's top 100.
