## The Malahat - Cowichan Valley and Nanaimo

Only 45 minutes north of Victoria is the Cowichan Valley and Duncan Meadows, 2005 host to the RCGA's University/College Championship. On the way to this players' course is Arbutus Ridge just north of Mill Bay which also hosted a national level RCGA event this year, the Junior Girls' Championship. Arbutus has some of best views available of the southern golf islands and arguably two of the toughest finishing holes to be found anywhere. Also, in the high rent district of Maple Bay, fairways are being cleared for "The Cliffs Over Maple Bay" project, a Greg Norman course with real estate. Completion is set for 2006-07.

Accommodations in the area are highlighted by the high quality B&Bs. You will find a wide range of choices dotted throughout the region. Many of them are near the ever increasing number of vineyards that are taking advantage of a location that boasts the warmest year-round temperatures in the country.

The B&Bs here are taking also advantage of the location as well. The Cowichan Valley's central positioning on the island puts them in a perfect spot to market to snowbird golfers travelling from Alberta and points east.

The region puts golfers no more than an hour-and-a-half's drive from any course from Victoria to Parksville. The Inland Island Highway is one of the best roads in the province, letting you use the cruise control for good percentage of the time.

B&B owner **Cheryl Kothlow**, an ardent player herself, is very excited about the positives of golfers basing themselves in the region, "Many golfers don't know that the weather on Vancouver Island can vary quite dramatically from area to area. It can be raining in Nanaimo and sunny in Victoria or vice-versa. Staying in the Cowichan Valley is a great option because you can call ahead and find out where the best place to play is on a given day and be there in a reasonable amount of time."

Almost all of the B&Bs here are located in beautiful settings overlooking views that range from the coastal mountains across the Strait of Georgia, to the local vineyards to the nearby gulf islands.

There is one other accommodator in the area that does deserve mention. Taking Highway 1 north out of Victoria for 20 minutes, you will find one of the most picturesque locations for a hotel in the province, the **Aerie Resort**. Located in the spectacular Malahat mountains, this exquisite setting offers unparalleled views over the Pacific Ocean, San Juan Islands and Olympic Peninsula. The Aerie was voted "#1 Food in the Americas" for the last two years through Conde Nast Traveler's Gold List, and #8 overall in the "Top 75 North American Resorts" in their 2003 Reader's Choice Awards. This AAA Four Diamond and Mobil Four Star property is truly above and beyond. Toll Free: (800) 518-1933

**Arrowsmith G&CC** 250-752-9727 18 61 .....semi-private  
 Located about 10 minutes north of Qualicum Beach off the Coastal Highway 19A, Arrowsmith's 18 holes measure more than 3,700 yards, and were designed to provide golfers the opportunity to reach for every club in their bag. Par-61, this beautifully manicured course is complete with a continuous ribbon of cart paths that allows year-round use of power carts, first-rate practice facilities and a full-service clubhouse are among the features at Arrowsmith...

**Fairwinds GC** 250-468-7666 18 71 .....semi-private  
 Located in Nanoose Bay 20 minutes north of Nanaimo, Fairwinds has

lush, manicured fairways lined by towering fir, gary oak and arbutus trees. A "thinking golfers" course, course management will reward you on this challenging layout. Situated in a natural rain shadow, the course is more than playable year round.

**Morningstar GC** 250-248-2244 18 72 .....public  
 Located in Parksville and site of the Canadian Tour Qualifying School for five years, Morningstar is a 7000+ yard layout with the pedigree of a champion. This course has been designed to test the best players in the game, while at the same time remaining enjoyable to golfers of all skill levels. A strong mix of woodlands and links style holes makes this one of the island's best. Continuous cart paths and a commitment to manicure make it a pleasure to play.

**Pheasant Glen GR** 250-752-8786 18 72 .....public  
 What was once a 'great little golf course' in Qualicum Beach, is now one of Vancouver Island's premier golf destinations. Renos to the course that included rebuilding entire holes and capping them with sand have transformed this into a year-round tough 6500 yard target golf course. With four sets of tees with a difference of 1500 yards between the longest and shortest, you will still be able to enjoy your game, whether you are a novice or seasoned player. The addition of the Brent Morrison Golf Academy in 2003 has made this one of the top places to learn

## Nanoose - Parksville - Qualicum

North from Nanaimo, you will reach the playground communities of Qualicum Beach and Parksville. Both communities have become favourites for both retirees and vacationers. And where you find these demographics, you'll generally find golf courses. Along the way up at Nanoose bay is the well regarded Fairwinds Resort, a very well maintained target oriented course. The one creating most of the buzz recently is the revamped and renamed Pheasant Glen. Long an executive length 18 hole course named Glengarry Golf Links, they have recently rebuilt

many of the holes and added what has to be one of the country's top academies under the well respected leadership of the 1998 CPGA & BC PGA Teacher of the Year, Brent Morrison. While in the area, another course not to miss is Morningstar GC. An 18 hole, par 72 champion layout, Les Furber designed this public course located on the north side of Parksville. Morningstar is proud to be host of the 2007 BC Men's Amateur Tournament. Challenge the rolling terrain and water hazards as the course winds from an open meadow to a thick evergreen forest.

The **Bayside Oceanfront Inn** is the choice in Parksville both for accommodations and golf packages. Walk on their private beach, swim in the pool and then enjoy fabulous food in the

oceanfront restaurant. Located at 240 Dogwood St just off the Island Hwy. Call Toll Free: (800) 663-4232

Only a three minute drive from the Fairwinds course is the **Fairwinds Schooner Cove Resort Hotel & Marina**. They also offer oceanview pub, cafe, cold beer & wine store, fitness center, heated outdoor pool & hot tub, tennis, & fishing, sailing charters, kayak lessons & rentals. The **Tigh-Na-Mara Seaside Spa Resort** is the area's full facility. A state-of-the-art spa & conference centre is now married to the traditional style log cottages and condos with fireplaces that have defined Tigh-Na-Mara for decades. All this is nestled in a forest setting by the sea on sandy Rathrevor Beach. While all accommodation may have fireplaces, many also include kitchens, jetted bathtubs and ocean views. Other resort amenities include an indoor pool, spa, steam and exercise rooms with playground areas for children and outdoor tennis courts. The Copper Lounge and Cedar Dining room offer exceptional west coast cuisine.

The latest and greatest is the Grotto Spa, a full service spa that reflects European spa traditions of health, wellness and balance, as well as the industry's most popular treatments. This is enhanced with a West Coast feel - with outdoor veranda treatments overlooking the Arbutus trees and the Hungarian Mineral Pool created to "look and feel like the inside of a real grotto." With the completion of its third floor, this is now the largest spa in the country. The third floor includes a restaurant, lounges and sumptuous day suites that offer copper lined jetted tubs. Owner Brian Cox is very excited about the Grotto Spa and what it has to offer, "We feel that our Grotto Spa is now meeting the highest standard for spas across the country." ## The West Coast: Port Alberni - Long Beach

Something not to be missed is side trip to head west out to Vancouver Island's wild side at Long Beach. On the way a stop in Port Alberni is well worth the time to play the Alberni Golf Club. Eighteen holes, this is a friendly members' course that offers some great fun events through the winter. A tourist area, there are many top quality accommodation options here.

The most renowned of these would have to be the **Wickaninnish Inn**. This is rustic elegance on nature's edge. Great ocean views, fireplaces and large soaker tubs characterize the guest rooms. The Ancient Cedars Spa may be one of the most spectacular settings for a spa in the world. A Hot Rocks massage here overlooking the crashing shoreline of the Pacific Ocean is an experience never forgotten. Conde Nast's 2005 readers' poll named this the #1 spa in Canada.
